*Archon '81*  
*North High School*  
*Framingham, Mass.*

*Four years ago, we all came here together—  
feeling afraid yet anxious about a new beginning  
in a new surrounding.*

*We began from the same point  
peering out over the vast network of roads and byways.  
Our future was a mystery—  
There were so many hills to climb and so many roads to choose.*

*Over the years we have grown together.  
Faced with many uphill and downhill,  
we have learned the meaning of success and failure.  
We have discovered for ourselves  
that life is a long and winding road  
along which we all must travel.  
As we move on,  
we will learn from each experience which we encounter.  
In the end we will find success and personal achievement.*

*High school has been just  
a stop along the way.  
We will all be taking different routes now.  
Some paths may cross, but in the end  
they will all lead to a future we have dreamed of  
and is uniquely our own.*

# DEDICATION

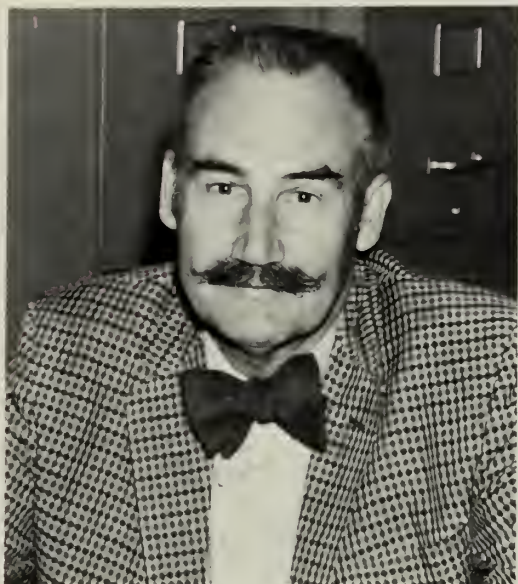

*MRS. ROSE AMETTI  
CLASS SECRETARY*

*Over the past few years, you have been a very important person in our lives. You have helped us to grow and mature through a most challenging part of high school. In addition to the numerous responsibilities you've had as secretary to the class of 1981, you always managed to give a little extra. We will always remember your bright smile, your helpful advice, and those times when you "protected" us. You shared our excitement when we succeeded and you helped to ease the pain when we failed. You were our secretary, but more importantly you were our friend. We can't thank you enough for all that you have done for us.*

*With our greatest admiration and gratitude we, the class of 1981, dedicate our yearbook to Mrs. Rose Ametti.*

*Mr. Hubert Edmonds*

*Mrs. Gladys Arnott*

*Mr. James O'Donnell*

## *IN APPRECIATION*

*Mrs. Susan Whitaker*

*Throughout our years here at North, each one of you has contributed something special to our class. We appreciate the concern and support that you have given to us. Through your efforts, you have played an important role in our growth and maturity. We, the Class of 1981, sincerely thank you.*

Faculty

Mr. Edward Gallagher, Principal

THE CLASS OF '81 HAS SURVIVED MANY CHANGES DURING ITS FOUR YEARS AT NORTH. THE MOST DRAMATIC IMPACT ON YOUR CLASS GROWTH AND MORALE HAD TO BE YOUR ADJUSTMENT TO FOUR GRADE ADMINISTRATORS. AS IS THE CASE WITH OUR STUDENTS, YOU FOCUSED ON YOUR EDUCATION, DESPITE DISRUPTION, AND ARE NOW MEMBERS OF ONE OF OUR FINEST GRADUATING CLASSES.

YOUR TEACHERS DESERVE MUCH CREDIT FOR YOUR SUCCESS. NEVER FORGET THAT YOUR SUCCESSFUL FUTURE WAS FORMULATED BY DEDICATED PEOPLE WHO CARED FOR YOU. IN A TIME OF GREAT CONCERN OVER "BASICS", YOU ARE PROOF THAT MASTERY OF MANY AREAS IS REALITY AT FRAMINGHAM NORTH HIGH SCHOOL.

AS USUAL, WE WILL CONTINUE TO MONITOR YOUR PROGRESS AS YOU BECOME THE PRIME MOVERS OF OUR COMMUNITY IN THE 80's AND 90's—INDEED THE PRIME MOVERS OF OUR SOCIETY.

WHAT IS IMPERATIVE IS THAT YOU WORK TO BECOME ALL YOU ARE CAPABLE OF BEING. WHAT IS IMPERATIVE IS THAT YOU SUCCEED, NOT AT THE EXPENSE OF OTHERS, BUT IN CONCERT WITH OTHERS. REACH OUT TO OTHERS WHO NEED YOU; YOU MUST REFLECT THE CONCERN FOR OTHERS THAT HAS BEEN SO MUCH A PART OF YOUR LIFE AT NORTH.

THE ENTIRE STAFF AND I WISH YOU CONTINUED SUCCESS AND HAPPINESS.

SINCERELY,

*Edward F. Gallagher*

*What sadder song is there in life  
than bringing to an end  
our fond association with  
a really faithful friend?  
She shared our deep desires and  
saw our smiles and tears.  
Now we're bound by memories  
of all the yesteryears.  
She knew all of our feelings  
and was there to help us out  
whenever we were troubled  
or entertained a doubt.  
No matter what we say  
or whatever we pretend  
the fact remains in all of us  
we've lost a faithful friend.*

# BRAVO

Class of '81!

from the  
**SOUND OF  
SUCCESS  
COMPANY,  
BOSE.**

## THE PRELUDE...

In 1964, BOSE Corporation was founded by Dr. Amar Bose — the realization of his quest for the perfect high fidelity loudspeaker. Today, BOSE has achieved international acclaim for the development of just such a product.

That's where it all started. And this is where it has led. To a privately held and financially sound company headquartered in the town of Framingham. With more than 1000 creative, innovative people working to make our already superior products even more incredible.

## THE OPUS...

Bose is always open to hearing from people who are good at what they do, have the ingenuity to get even better, and want the opportunity to realize their potential.

## THE FINALE...

is entirely up to you. You're off to a good start. We wish you luck in your quest. And we want you to know that your success this year sounds good to us.
